Dear Mr. Nash:

On behalf of the Chicago Department of Aviation ("CDA"), I am responding to your Freedom of Information Act ("FOIA") request dated June 8, 2013, seeking the following documents:

Any reports or memos generated by or sent to ORD Airport Watch between January 2012 and the time this request is processed.

The CDA is unable to locate any documents responsive to this request. This concludes the CDA's response.

Very truly yours,

Maria L. Wanamaker
